What Are Parental Controls in IPTV Smarters Pro?

Parental controls allow you to:

- Block adult content
- Restrict specific channels or categories
- Set a PIN code for access
- Protect children from inappropriate content

It is an essential feature for household IPTV use.

How to Enable Parental Controls on IPTV Smarters Pro

Step-by-Step Instructions:

1. Open **IPTV Smarters Pro**

2. Go to **Settings**
3. Select **Parental Control**
4. Enable **PIN Protection**
5. Set a 4-digit PIN code
6. Confirm the PIN

Once activated, restricted content will require the PIN to access.

How to Block Channels or Categories

1. Go to **Parental Control Settings**
2. Select **Channel Lock or Category Lock**
3. Choose channels or groups to block
4. Save settings

This allows full customization of what can be watched.

How to Change or Reset the PIN

If you forget your PIN:

- Go to **Settings** → **Parental Control** → **Change PIN**
- Enter current PIN (or reset via app reinstall if needed)

Always choose a PIN that is easy to remember but hard to guess.

Best Practices for Parental Control Setup

- Use a unique 4-digit PIN
- Regularly update restricted channels
- Combine with safe IPTV playlists
- Use providers with family-friendly categories like Viucast
